NATIONAL LABOR RELATIONS  
BOARD**Notice of Procedures to be Followed in  
the Event Board Offices are Closed  
Due to Lack of Appropriated Funds**

The National Labor Relations Board is issuing this notice to advise the public of procedures to be followed in the event that Board offices are closed, in compliance with the Antideficiency Act, 31 U.S.C. 1341, *et seq.*, due to the lack of appropriated funds.

**1. Tolling of Time for Filing or Serving  
Certain Documents**

In the event the Board's offices are closed due to lack of appropriated funds, the Board hereby grants, *sua sponte*, an extension of time to file or serve any document for which the grant of an extension of time is permitted by law. The terms of the extension are that for each day on which the agency's offices are closed for all or any portion of the day, one day shall be added to the time for filing or service of the document.

Extensions of time for filing cannot apply to the 6 month period provided by section 10(b) of the Act for the filing of charges, 29 U.S.C. 160(b), or to Applications for awards and fees and other expenses under the Equal Access to Justice Act, 5 U.S.C. 504. However, with respect to time computations for filing and serving charges filed pursuant to section 10(b) or applications filed pursuant to the Equal Access to Justice Act, the Board hereby gives notice of its intention to construe the phrase "Saturday, Sunday, or a legal holiday" in its rules pertaining to filing and service, § 102.111(a), 29 C.F.R. 102.111(a), to encompass any day on which the agency's offices are closed for all or any portion of the day due to lack of appropriated funds.

Notwithstanding the foregoing provisions, persons wishing to file a charge pursuant to section 10(b) of the act, and for whom the 6-month period of Section 10(b) is to expire during the interruption in the Board's normal operations, are cautioned that the operation of Section 10(b) during an interruption in the Board's normal operations is uncertain. Consequently, it would be prudent to attempt to file the charge during the interruption in the Board's operations by following the procedures outlined in the notice set forth below. Moreover, persons filing a charge are reminded that it is their responsibility, pursuant to § 102.14 of the Board's Rules and Regulations, 29 C.F.R. 102.14, to serve a copy of the charge upon the person against whom

the charge is made. While Regional Directors ordinarily serve a copy of the charge on the person against whom the charge is made as a matter of courtesy, they do not assume responsibility for such service, and it is unlikely that the agency will be able to serve charges during any period of shutdown due to lack of appropriated funds.

**2. Notice To Be Posted in the Event of  
a Shutdown Due to Lack of  
Appropriated Funds**

In the event the Board's offices are closed due to lack of appropriated funds, the Board intends to post a copy of the following notice at each of its offices to advise the public of procedures to be followed during the period of the shutdown. In addition, a pre-recorded message will be available on the main phone numbers in each of the agency's offices to provide persons with information regarding how to contact the agency during the shutdown.

"This office of the National Labor Relations Board is closed due to the lack of a budget appropriation.

Due to the lack of appropriated funds this office of the National Labor Relations Board is temporarily closed. This office will reopen when sufficient funding has been authorized by law. Only such Government activities necessary to prevent an imminent threat to the safety of human life or the protection of property may be undertaken in the absence of specific budget authority. If there is an imminent threat to the safety of human life or the protection of property as a result of a violation of the National Labor Relations Act, you should contact the \_\_\_\_\_ Regional Office, \_\_\_\_\_, at telephone number ( ) \_\_\_\_\_, FAX Number ( ) \_\_\_\_\_, for assistance. If the safety of human life or the protection of property is not subject to an imminent threat, you will have to wait until the Office resumes normal operations to be served. [Note: The addresses and phone numbers listed will vary from office to office. All possible choices are listed in part 3 of this Federal Register notice, below.]

Timeliness of Charges, Petitions and other papers:

Pursuant to Section 10(b) of the National Labor Relations Act, 29 U.S.C. 160(b), complaint cannot issue on a charge alleging an unfair labor practice violation unless the charge is filed and served within 6 months of the occurrence complained of. The operation of Section 10(b) during an interruption in Agency services as a result of a lack of funds is uncertain. If

the 6-month period of Section 10(b) is to expire during the interruption in the Board's normal operations and your charge has not previously been filed and served, you can attempt to comply with Section 10(b) by serving a copy of the charge on the party charged and filing a copy of the charge with an office of the Board in a timely manner. Filing with the Board for this purpose may include service or attempted service upon the regional office named above by certified mail.

During this period, you can attempt to serve petitions for certifications and all other time-sensitive documents by serving a copy on the proper party or parties and filing a copy of the document with an office of the Board in a timely manner. Filing with the Board for this purpose may include service or attempted service upon the regional office named above by certified mail."
